A Waiting Game

They that wait upon the LORD shall renew their strength.
Isaiah 40:31

If you've ever gone fishing you know that you can sit for hours waiting for a bite. Sometimes you get a hit and some days not a single nibble. Fishing is all about waiting—the avid fisherman knows that. Think about it—we play the waiting game every day of our lives—we are all waiting for something. We may be waiting for the right job, for test results from our doctor, or for God to answer a prayer. When the wait seems too long, however, we may be tempted to give up. But it is important to remain strong because we are promised in Isaiah 40:31 They that wait upon the LORD shall renew their strength. As you wait for answers, remember to do so patiently and expectantly. God has great answers in store for us when we wait for His perfect timing.
